QUESTION 1
LAW PROPOSED BY INITIATIVE PETITION
Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives before May 1, 2002?

SUMMARY
This proposed law would provide that no income or other gain realized on or after July 1, 2003, that is attributable to the sale of any stock, bond, or other property by any resident of the State of Connecticut would be subject to state personal income tax. This proposed law would also provide that no income or other gain realized on or after July 1, 2003, would be subject to state personal income tax. This proposed law would make no change in state tax laws.

QUESTION 2
LAW PROPOSED BY INITIATIVE PETITION
Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives before May 1, 2002?

SUMMARY
This proposed law would replace the current state law providing for transitional bilingual education in public schools with a law requiring that, with limited exceptions, all public school children must be taught by English as taught all subjects in English and being placed in English language classrooms. The proposed law would require all public schools to educate English learners (children who cannot do ordinary classwork in English and who either do not speak English or whose native language is not English) through a sheltered English language immersion program, normally lasting no more than three years. The program, all books and nearly all teaching would be in English, with the curriculum designed for children learning English. A child's teacher could use a minimal amount of a child's native language when necessary. Schools would be encouraged to place in the same classroom children who are from different native language groups but who have the same level of English skills. Once a student is able to do regular schoolwork in English, the student would be transferred to an English language mainstream classroom. These requirements would not affect special education programs for physically or mentally impaired students or foreign language classes for children who already know English. Parents or guardians of certain students could apply for a waiver. This process would be similar to the requirements waived, so as to place their child in bilingual education or other classes, if the parents or guardians believe that another course of study would better be for the educational progress and rapid learning of English, or (3) have special physical or psychological needs (other than lack of English skills), have already spent 30 days in an English language classroom during that school year, the school principal and staff document their belief that the child's special needs would eliminate any state personal income tax for income or other gain realized on or after July 1, 2003. That tax would make no change in state tax laws.

A NO VOTE would make no change in state tax laws.

A YES VOTE would eliminate any state personal income tax for income or other gain realized on or after July 1, 2003.

A NO VOTE would make no change in state tax laws.
The proposed law’s testing requirements would take effect immediately, and its other requirements would govern all school years beginning after the proposed law’s effective date. The proposed law states that if any of its parts were declared invalid, the other parts would stay in effect.

A YES VOTE would require that, with limited exceptions, all public school children must be taught English by being taught all subjects in English and being placed in English language classrooms.

A NO VOTE would make no changes in English language education in public schools.

Shall an act passed by the general court in the year 2002 entitled, ‘An Act establishing a 4 year term for the office of mayor in the city of Everett’, be accepted?

SUMMARY

A YES VOTE on this question will result in the acceptance of the Act and the term of office for the mayor of the city of Everett will be changed from two to four years. This change will only apply to the office of mayor. The provisions of Section 5 of the City Charter would change to reflect the 4-year term. This change in the term would apply to the biennial city election in 2003 and to subsequent biennial city elections. The mayor would be elected for a four-year term beginning on the first Monday of January 2004.

A NO VOTE will result in the term of office for the mayor remaining at two years.

In the City of Everett

Shall an act passed by the general court in the year 2002, entitled ‘An Act Establishing a Department of Finance and Budget in the Town of Lancaster’ be accepted?

SUMMARY

Pursuant to a special act of the General Court, Chapter 315 of the Acts of 2002, the Town was authorized to place the above question on the State Election ballot. The special act, if accepted, will establish a consolidated Department of Finance and Budget in the Town to be overseen by a Director of Finance and Budget appointed by the Board of Selectmen and responsible for coordinating the fiscal management practices of the accountant’s department, collector-treasurer’s department, and assessing department, and administering budgeting including financial reporting, accountability and control, financial and programmatic implications on current and future policies to all Town departments and the Board of Selectmen. The office of Collector-Treasurer shall become part of said Department and the Collector-Treasurer shall be under the supervision of said Director. The Board of Assessors shall be appointed by the Board of Selectmen for three-year terms and shall retain their statutory duties, with incumbent assessors to serve the remainder of their current terms unless the term is vacated earlier. Upon establishment of the Department of Finance and Budget, the Town Accountant may become the Director of Finance and Budget, and may be provided by the Board of Selectmen with an employment contract for a period not to exceed three years.

In the Town of Lancaster

Shall section 1 of an act passed by the general court in the year 2002 entitled ‘An Act relative to the charter of the city of Attleboro which provides that preliminary elections be held on the third Tuesday of September preceding the regular city election’ be accepted?

SUMMARY

Presently the charter provides that on the fourth Tuesday preceding every regular city election a preliminary election shall be held for the purpose of nominating candidates for the city’s regular election which is held on the first Tuesday following the first Monday in November in each odd-numbered year. This amendment will permit the preliminary election to be held on the third Tuesday of September preceding every regular city election. Such earlier date for the holding of the preliminary election is necessary to give the Election Commission sufficient time to prepare the ballots for the regular election.

In the City of Attleboro

Shall section 2 of an act passed by the general court in the year 2002 entitled ‘An Act relative to the charter of the city of Attleboro which provides that candidates nominated for multiple office withdraw for all but 1’ be accepted?

SUMMARY

Presently candidates for municipal offices are permitted to take out and file nomination papers for multiple offices. This amendment to the charter permits the continuation of such practice but provides that a candidate who has filed nomination forms for multiple offices may withdraw his or her nomination for all but one office on or before the last day provided for the withdrawal of candidates. Any candidate for office who does not comply with said withdrawal procedure shall not have his or her name printed upon the ballot for any office.

In the City of Attleboro

Shall the city of Attleboro accept section 2D of chapter 59 of the General Laws which provides for taxing certain improved real property based on its value at the time an occupancy permit is issued?

In the City of Attleboro
Shall the Town of Ayer vote to reduce the surcharge established pursuant to Sections 3 to 7 inclusive, of Chapter 44B of the General Laws, as approved by its legislative body, a summary of which appears below?

**SUMMARY**

Sections 3 to 7 of Chapter 44B of the General Laws of Massachusetts, also known as the Community Preservation Act ("Act"), established a dedicated funding source to acquire, preserve, and restore historic resources, land for recreational use, and community housing, and to rehabilitate and restore such open space, historic resources, land for recreational use and community housing acquired or created as provided under said Act. In Ayer, the Act was approved by Town Meeting and accepted by the voters with funding by an additional surcharge of 3% on the annual tax levy on real property. Town Meeting has voted to reduce this surcharge to 1%. The exemptions from such surcharge shall remain in force and effect.

**QUESTION 4**

Shall this Town of Southwick accept sections 3 to 7, inclusive of Chapter 44B of the General Laws, as approved by its legislative body, a summary of which appears below?

**SUMMARY**

Sections 3 to 7 of Chapter 44B of the General Laws of Massachusetts, also known as the Community Preservation Act, establish a dedicated funding source to acquire, preserve, rehabilitate and restore historic resources, to acquire, create and preserve community housing, and to acquire, preserve and restore open space, historic resources, land for recreational use and community housing acquired or created as provided under said Act. A surcharge of one and one half percent (11/2%) on the annual tax levy on real property and annual distributions made by the state from a trust fund to acquire and preserve open space, historic resources, and property owned and occupied as a domicile by any person who would qualify for low income housing or low or moderate income senior housing in the Town, shall be exempt from this surcharge. A taxpayer receiving an exemption of real property authorized by Chapter 59 of the General Laws of Massachusetts or any other law is exempt from any surcharge on real property established under the Act. A taxpayer receiving a regular property tax abatement will also receive a pro rata reduction in surcharge.

In the Town of Southwick, the funding source for this community preservation resource will be established under the Act. If approved by Town Meeting and accepted by the voters with funding by an additional surcharge of 3% on the annual tax levy on real property and annual distributions made by the state from a trust fund to acquire and preserve open space, historic resources, and property owned and occupied as a domicile by any person who would qualify for low income housing or low or moderate income senior housing in the Town, shall be exempt from this surcharge. A taxpayer receiving an exemption of real property authorized by Chapter 59 of the General Laws of Massachusetts or any other law is exempt from any surcharge on real property established under the Act. A taxpayer receiving a regular property tax abatement will also receive a pro rata reduction in surcharge.

The following exemptions from such surcharge, permitted under Section 3(e) of said Act, shall apply: the exemption for property owned and occupied as a domicile by any person who qualifies for low income housing or low or moderate income senior housing in the Town, as defined in Section 2 of said Act, and the exemption for $100,000 of the value of each taxable parcel of residential real estate, and property owned and occupied as a domicile by any person who qualifies for low income housing or low or moderate income senior housing in the Town, shall be exempt from this surcharge. A taxpayer receiving an exemption of real property authorized by Chapter 59 of the General Laws shall be exempt from this Act. A Community Preservation Committee composed of local citizens will make recommendations on the use of the funds. Town Meeting must approve any such recommendation before funds can be expended and all expenditures will be subject to an annual audit. A Committee composed of local citizens will make recommendations on the use of the funds. Town Meeting must approve any such recommendation before funds can be expended and all expenditures will be subject to an annual audit.

**QUESTION 4**

Shall the Town of Lincoln accept sections 3 to 7, inclusive of Chapter 44B of the General Laws, as approved by its legislative body, a summary of which appears below?

**SUMMARY**

Sections 3 to 7 of Chapter 44B of the General Laws of Massachusetts, also known as the Community Preservation Act, establishes a dedicated funding source to acquire, rehabilitate and preserve open space, historic resources, land for recreational use, and community housing, and to rehabilitate and restore such open space, land for recreational use and community housing acquired or created as provided under said Act. A surcharge of one and one half percent (11/2%) on the annual tax levy on real property and annual distributions made by the state from a trust fund to acquire and preserve open space, historic resources, and property owned and occupied as a domicile by any person who would qualify for low income housing or low or moderate income senior housing in the Town, shall be exempt from this surcharge. A taxpayer receiving an exemption of real property authorized by Chapter 59 of the General Laws of Massachusetts or any other law is exempt from any surcharge on real property established under the Act. A taxpayer receiving a regular property tax abatement will also receive a pro rata reduction in surcharge.

In the Town of Lincoln, the Community Preservation Committee, established under the Act, will make recommendations to Town Meeting on spending the funds. At least ten percent (10%) of the funds for each fiscal year will be spent or reserved for later spending on each of the Act’s three community preservation purposes: (1) open space (excluding land for recreational use); (2) historic resources; and (3) affordable housing.

**QUESTION 4**

Shall the City of Wellesley accept sections 3 to 7, inclusive of Chapter 44B of the General Laws, as approved by its legislative body, a summary of which appears below?

**SUMMARY**

Chapter 44B of the Massachusetts General Laws, also known as the Community Preservation Act ("the Act"), allows communities to establish a dedicated funding source for the acquisition and preservation of open space and of land for recreational uses, for the acquisition and preservation of historic resources, and for the creation, preservation and support of community housing.

One source of funds for these activities would be a surcharge of one percent (1%) on the annual tax assessed on real estate, subject to certain exemptions as discussed below. The other source of funds would be funds which the City would receive from a special state trust fund. The state funds are available only to communities that have voted to accept the Act.

If the Act is accepted, the following would be exempt from the surcharge: (1) Any taxpayer exempt from real estate property tax would be exempt from the surcharge; and (2) One hundred thousand dollars ($100,000.00) of the value of each taxable parcel of residential real estate would be exempt from the surcharge. Any taxpayer receiving a tax abatement would be entitled to a reduction of the surcharge in proportion of the abatement.

Any taxpayer exempt from real estate property tax would be exempt from the surcharge; and (2) One hundred thousand dollars ($100,000.00) of the value of each taxable parcel of residential real estate would be exempt from the surcharge. Any taxpayer receiving a tax abatement would be entitled to a reduction of the surcharge in proportion of the abatement.

If the Act is accepted, the City would establish a separate account known as the Community Preservation Fund ("the Fund") to which all surcharge receipts and the state funds would be credited. The City Council would pass an ordinance establishing the Community Preservation Committee. The Committee would study community preservation needs, possibilities and resources and make annual recommendations to the City Council.

The Fund could only be spent by the city Council for Community Preservation activities allowed under the Act. Each year not less than ten percent (10%) of the annual revenues to the Fund must be spent, or designated for later spending, on historic preservation and not less than ten percent (10%) must be spent, or designated for later spending, on community housing. The administration and operating expenses of the committee cannot exceed five percent (5%) of the annual revenues.

A "yes" vote is a vote to accept the Act. A "no" vote is a vote not to accept the Act.

**QUESTION 4**

Shall the Town of Wellesley accept sections 3 to 7, inclusive of Chapter 44B of the General Laws, as approved by its legislative body, a summary of which appears below?

**SUMMARY**

Sections 3 to 7 of Chapter 44B of the General Laws of Massachusetts, also known as the Community Preservation Act, allow communities to establish a dedicated funding source, the surcharge, for the acquisition and preservation of open space and of land for recreational uses, for the acquisition and preservation of historic resources, and for the creation, preservation and support of community housing.

As approved by Town Meeting, the local funding source for the Act in Wellesley will be a surcharge of 1% on the annual property tax bill assessed on real property, commencing in fiscal year 2003. (The surcharge for a single-family residential property with a median valuation [$576,000 in FY02] will be approximately $40 per year.) In addition, the Act creates a state trust fund from which the Town will receive distributions that are solely available to communities that have accepted the Act. The funding source for this trust fund is not subject to the annual appropriation by the legislature; instead the Act has established increased funding for this purpose. The other source of funds would be funds which the City acquired or created under the Act.

If the Act is accepted, the following would be exempt from the surcharge: (1) One hundred thousand dollars ($100,000.00) of the value of each taxable parcel of residential real estate; (2) Any property owned and occupied as a domicile by a taxpayer who qualifies for low income housing or moderate income senior housing; (3) Any taxpayer exempt from real estate property tax would be exempt from the surcharge; and (4) Any taxpayer exempt from real property, commencing in fiscal year 2003. (The surcharge for a single-family residential property with a median valuation [$576,000 in FY02] will be approximately $40 per year.) In addition, the Act creates a state trust fund from which the Town will receive distributions that are solely available to communities that have accepted the Act. The funding source for this trust fund is not subject to the annual appropriation by the legislature; instead the Act has established increased funding for this purpose. The other source of funds would be funds which the City acquired or created under the Act.

The other source of funds would be funds which the City acquired or created under the Act.

The Act contains certain mandatory exemptions and allows communities to elected to include certain optional exemptions. Wellesley’s Town Meeting has elected to include optional exemptions such that, if the Act is accepted, the following will be exempt from the surcharge: (1) One hundred thousand dollars ($100,000.00) dollars of the value of each taxable parcel of residential real estate; (2) Any property owned and occupied as a domicile by a taxpayer who qualifies for low income housing or moderate income senior housing; (3) Any taxpayer receiving a tax abatement would be entitled to a reduction of the surcharge in proportion of the abatement; and (4) Any taxpayer receiving a tax exemption from real property tax.

If the Act is accepted by a majority of the voters, a Community Preservation Committee comprised of Town residents will be established by bylaw to recommend to Town Meeting on the expenditure of the community preservation funds. Town Meeting must approve any such recommendations before funds can be expended. The funds need not be spent, or designated for later spending, in any one year, but may accrue until the Town decides how to use them. All expenditures pursuant to the Act must be subject to an annual audit.
