# Apostilles and Certificates of Appointment

**William Francis Galvin**  
Secretary of the Commonwealth  
Public Records Division - Commissions Section

The Secretary of the Commonwealth's office is the only office in Massachusetts that is authorized to issue an Apostille or Certification for a notarized document going to a foreign country. Massachusetts does not certify out-of-state documents. They must be certified by the state of origin.

### What is an Apostille?

An Apostille is a document issued only by the Massachusetts Secretary of the Commonwealth that verifies the authenticity of the signature on the document; the capacity in which the person signing the document acted; and the identity of any stamp or seal affixed to the document. The Apostille is a specific form of authentication for countries that participate in the Hague Convention of 1961.

### What is a Certification of Appointment?

A Certification of Appointment certifies that the individual who performed the notarization was appointed to a Notary Public commission at the time of notarization and is a qualified Notary Public in the State of Massachusetts.

### What do I need to check before I present my documents for authentication?

1. That the Notary Public has signed his/her name exactly as he/she was commissioned.
2. That the notarial certificate has been completed.
3. That the Notary Public's expiration date is on the document correctly, clearly and completely.
4. The Notary Public has affixed the notary seal on the document and the imprint is legible.

### Where may I get a copy of my marriage certificate?

The city or town clerk where you applied and filed your marriage license will provide you with a certified copy.

### Where may I get a copy of my divorce decree?

Contact the district court clerk in the district where your divorce decree was filed and request a certified copy.

### Where may I get a copy of my birth certificate?

Contact the Office of Vital Records, 617-740-2600, or your local city or town clerk where the birth was recorded.

### Fees

The fee for an Apostille is \$6.00 per document. Checks or money orders should be made payable to the Commonwealth of Massachusetts for the correct amount. Cash is not recommended because the office cannot refund cash lost in transit.

The Secretary of the Commonwealth always recommends that you verify the information needed with the officials from the country of destination. In most cases we have found that the steps below are generally accepted. We however do not guarantee they will be accepted in every situation.

### In-state schools steps to Certifying a Transcript or Diploma

1. Have your school registrar certify to the record in the presence of a Notary.
2. The Notary Public will then notarize the signature of the school registrar.

The notarized school transcript or diploma is then sent to the Secretary of the Commonwealth for the Apostille or Certification.

**Out-of-state** school transcripts and diplomas, cannot be certified in Massachusetts. They must be certified by the state of origin.

### Additional information

- Should you need to obtain a police background check or a "Police Certificate of Good Standing" contact the Criminal History Systems Board, 617-660-4600, [www.mass.gov/chsb](http://www.mass.gov/chsb).
- For individuals needing a photograph notarized, a Notary Public may not certify nor authenticate a photograph. However, a Notary Public may notarize a statement by the principal regarding the photograph. That notarization does not authenticate or certify the photograph, it only verifies that the individual making the statement signed the statement.
