DESCRIPTION:					
Request for Proposal: Solar System Design and Installation. Seeking a highly qualified solar firm to design and install a new solar energy system at our school, located at 21 Queen St., Dorchester, MA 02122. The system will consist of approximately 93 solar panels, each with a capacity of 520 watts, to be mounted on the school's roof. We are pursuing a Direct Ownership model for this project. In addition to the system design and installation, we are also requesting expert assistance with navigating and securing available tax credits, grants, and incentives to maximize the financial benefits of this installation. Qualified firms are encouraged to submit proposals that include design, installation, timeline, cost estimate, and a plan for securing applicable financial incentives. We look forward to working with a firm that shares our commitment to sustainability and energy efficiency.
