**DESCRIPTION OF PROPERTY:**

A parcel of land with the improvements thereon located at 218-220 North Quinsigamond Ave., Shrewsbury, MA, containing 1.14 acres, more or less, and being the premises described in a deed recorded with the Worcester South District Registry of Deeds in Book 26874, Page 265. \$680,000 - Appraised and negotiated value.

**ADDITIONAL INFORMATION**

This is a uniqueness determination under M.G.L. c. 30B, § 16(e)(2). Shrewsbury Electric has determined that advertising will not be of benefit because of the unique location of the property. This property is adjoins SELCO's property and also connects another Town parcel. The three parcels will include the entire campus and also leave room for future growth.
