DESCRIPTION OF PROPERTY:

Springfield Empowerment Zone Partnership, Inc. ("SEZP") intends to enter into a Services and Space agreement (the "Services and Space Agreement") with Hope for Youth and Families, Inc. ("HYF"), a Massachusetts nonprofit corporation, for the provision of early college and career planning services for SEZP students and the use of space leased by HYF at 1350 Main Street, Springfield, Massachusetts (the "Site") for SEZP's Discovery High School. The Site is approximately 31,821 rentable square feet.

ESTIMATED VALUE, SOURCE OF VALUATION:

Then rent will be set forth in the Services and Space Agreement.

ADDITIONAL INFORMATION

SEZP is not required to solicit proposals pursuant to M.G.L. c. 30B to acquire the Site through the Services and Space Agreement because it has determined through a Resolution of its Board of Directors that advertising will not benefit SEZP due to the unique qualities and location of the Site. See M.G.L. c. 30B, § 16(e)(2). Specifically, SEZP has determined that the Site is uniquely suited to SEZP due to (1) its location in downtown Springfield, Massachusetts, (2) its close proximity to other SEZP facilities and to HYF, (3) its sufficient size to meet SEZP's expected student enrollment patterns, and (4) no similarly adequately sized or located facilities being identified after a several years' search. There are no parties with a beneficial interest in the Services and Space Agreement because SEZP and HYF are each a nonprofit corporation organized under the laws of the Commonwealth of Massachusetts that is tax-exempt under Section 501(c)(3) of the Internal Revenue Code.
