This is a CM at Risk Project under MGL Ch. 149A. Interested firms must submit a Statement of Qualifications (SOQ) by the deadline and be pre-qualified if they are interested in later bidding on this project. The RFQ contains specific criteria for trade contractor prequalification and selection. This RFQ is part of a two-step selection process for the Trade Contractors. First, interested firms must submit the SOQ and then, at a later date, only the pre-qualified firms will be invited to bid on the category of work for which they were pre-qualified. All firms must be pre-qualified for this Project even if they are already DCAMM Certified. The CM is Consigli Construction CO., the OPM is Skanska, and the architect is Kaestle Boos Associates, Inc. Bids shall be submitted electronically at www.Projectdog.com. Hard copy will not be accepted by the Awarding Authority.
