The proposed improvement project is a park renovation effort to provide an accessible, vibrant, and welcoming urban park space that provides both active and passive features for the community's enjoyment. Improvements include: ADA/ABA compliant walks and site features, fitness stations with poured-in-place rubberized surfaces, a game table, a bocce court, a variety of seating options, fencing, open lawns, and landscape beds. Other amenities include a solar pedestrian lighting, a flagpole, drinking fountain, and bike racks. Construction access will be from Chelsea Street. Maintenance and protection of traffic measures will be necessary to mitigate construction impacts to vehicular, bicycle, and pedestrian traffic.
