SUB BID CATEGORIES: Glass & Glazing (\$45,337)

ADDITIONAL INFORMATION

This is a Construction Management at Risk project under M.G.L. c. 149A. Interested Firms MUST submit a Qualification Statement by the deadline and be prequalified if they are interested in later bidding on this project. DCAMM Certification applies for this process. This Request for Qualifications is the first part of a two-step process for Trade Contractors. First, interested firms must submit the Qualification Statement. Then, at a later date, only prequalified firms will be invited to submit bids in the category of works in which they were prequalified. This Qualification Statement is different from DCAMM Certification. All firms must be qualified for this project, even if they are already DCAMM Certified. The Construction Manager is W.T. Rich Co., Inc.

Commonwealth of Massachusetts Executive Office of Public Safety and Security

Notice of Intent to Submit a Project Proposal to the Asset Management Board and Public Hearing for the Acquisition of a Long-Term Leasehold Interest in Real Property Located within the Cities and Towns of Auburn, Berlin, Boylston, Grafton, Hopkinton, Hudson, Marlborough, Millbury, Northborough, Shrewsbury, Southborough, Upton, West Boylston, Westborough, or Worcester for the Executive Office of Public Safety and Security on behalf of the Department of State Police.

The Executive Office of Public Safety and Security, in collaboration with the Division of Capital Asset Management and Maintenance, hereby gives notice under 810 CMR 2.05 that it intends to submit a Project Proposal to the Asset Management Board and that it will hold a public meeting on the proposed project. The proposed project is for the acquisition of a long-term leasehold interest in real property located within the Cities and Towns of Auburn, Berlin, Boylston, Grafton, Hopkinton, Hudson, Marlborough, Millbury, Northborough, Shrewsbury, Southborough, Upton, West Boylston, Westborough, or Worcester for office/laboratory space for the Executive Office of Public Safety and Security on behalf of the Department of State Police ("Agency"). The project contemplates acquiring a lease for up to 250,000 usable square feet of office/laboratory space for a term of 20 years plus two 10-year extension option terms for a maximum lease term of forty (40) years. The estimated value of the leasehold to be acquired would be \$8m to \$12.5m per year in rent, including operating expenses depending upon base rent charged, size of leasehold and cost of improvements. This would be a savings to the Commonwealth compared to an estimated construction cost of \$200m (based on a \$800 per square foot) if the Commonwealth were to construct improvements to an existing facility not including the costs of land acquisition or operating expenses. The landlord will be selected through a competitive process.

The Commonwealth is contemplating the acquisition of a long-term lease for office/laboratory space for the Agency to achieve 2 main goals:

1. Amortize the cost of specialized fit-out over a longer initial term, to reduce the Agency's monthly costs; and
2. Continue to benefit from the investment made in a costly specialized fit-out.

The draft Project Proposal is available at <https://www.mass.gov/info-details/central-ma-crime-lab-project-proposal>. Copies are also available by emailing Bruce.Tebo@mass.gov. Please note the draft Project Proposal may be updated periodically throughout this process.

The public hearing will be held on June 16, 2023 at 2:00 p.m. at <https://us02web.zoom.us/j/87170398487>. The public is invited to comment on the proposed project at the public hearing and may submit written comments.

The deadline for submitting written comments is Tuesday, June 20, 2023 at 4 p.m. ET. Comments may be submitted on the website or by email to Bruce.Tebo@mass.gov.
