DESCRIPTION OF PROPERTY:

Property located at 998 Main St., Granville, MA, identified by the Assessors as Parce13-77-0 and described in a deed recorded with the Hampden Registry of Deeds in Book 24845, Page 596, excluding the parcel conveyed by deed in Book 25169, Page 100. The premises contain approximately 105 acres. Owned by Peter B. Crowley and Anne Marie Torizzo. This is a uniqueness filing.

ESTIMATED VALUE, SOURCE OF VALUATION:

\$399,900.00 - Negotiated value.

ADDITIONAL INFORMATION This is a uniqueness filing under M.G.L. c. 30B, § 16(e)(2). The Town has determined that advertising will not be of benefit because of the unique location and qualities of the property. The Town has been looking for land on which it can site its new DPW facility for many years, and this property is ideal for a DPW facility. The property, being one of very few of this size available for purchase, contains 105 acres, with at least 10-15 acres of relatively flat land, and without any significant wetlands. The property is large enough so that the Town can construct the DPW facility and expand the facility in the future, should the need arise, without the need to find a new location. The property is centrally located, enabling the DPW to respond to request/conduct its operations quickly.
