**CONTRACT INFORMATION:**

PROJECT: The Town of Sterling (the "Town"), acting through its Town Administrator, seeks proposals from qualified firms for Owner's project Manager (OPM) Services for the design, engineering, and construction of a new Department of Public Works (DPW) Facility located in Sterling, MA. The facility is currently projected to be located behind 135 Leominster Rd., at a town owned gravel pit. There is no estimated cost at this time, however it is projected this building could cost more than \$20,000,000. The Town currently has \$500,000 approved at Town meeting to advance through Schematic Design and retain an OPM. If future monies are approved, it is anticipated this project could be complete in 2028.

SCOPE: Conceptual plans are already in place and the work will include, but is not limited to, assisting and working with the architect and the Town on the design, bidding, and construction administration phases of the project while keeping the Town informed.
