DESCRIPTION:

Services for the White Stadium Project includes, but is not limited to: Design and construction administration services for the renovation or new construction of the E. Grandstand, track and field. It is not determined if the E Grandstand will be completely demolished and the City is actively reviewing cost and schedule saving measures with the RFP respondent. As stated, this project will have multiple phases and the designer will be contracted up-through the schematic design phase with the option to continue design services through construction administration for Phase I and optional for future phases. Special attention should be given to the milestone of deliverables for SD, DD, and CD.
