DESCRIPTION OF PROPERTY:

The Town will lease a portion of two properties: (a) 107 Braley Road, Freetown, MA, owned by Industrial Tower and Wireless, LLC, and (b) 61 Bryant Street, Berkley, MA, owned by American Tower Asset Sub II, LLC. This is a uniqueness determination under M.G.L. c. 30B, § 16(e)(2).

ESTIMATED VALUE, SOURCE OF VALUATION:

\$1,300 a month, escalating each year by 4%. Negotiated value.

ADDITIONAL INFORMATION

This is a uniqueness determination under M.G.L. c. 30B, § 16(e)(2). The Town has determined that advertising will not benefit the Town because of the unique location of the two properties. The Town has been trying for a while to bridge a critical gap in its public safety radio communications systems. By placing public safety radios on the telecommunications tower located on the 2 properties, each of which is located at a higher elevation in the surrounding area, the Town will help close the gap in its public safety communications and will be able to provide better and quicker response to emergencies.

DESCRIPTION OF PROPERTY:

A portion of the property located at 12 Union Street, Westborough, and described in deeds recorded with the Worcester South District Registry of Deeds in Book 68741, Page 363 and Book 68741, Page 373, which portion contains 2.58 acres. Owned by BSC RE Owner LLC. This is a uniqueness filing under M.G.L. c. 30B, § 16(e)(2).

ESTIMATED VALUE, SOURCE OF VALUATION:

\$8.8 million. Negotiated price.

ADDITIONAL INFORMATION This is a uniqueness determination under M.G.L. c. 30B, § 16(e)(2). The Town has determined that advertising will not benefit the Town because of the unique location and qualities of the property, which is being purchased for community center, senior center, and recreation purpose. The Town has an urgent need of a new senior center, as the existing center is too small to accommodate a variety of programs. The property, centrally located, has a building with 63,500 sf of interior space. It is large enough to accommodate a variety of senior and community programs; the 2nd floor of the building, which is built-out as a gym, is ideal for recreation uses and programs offered by the Recreation Commission. The cost of purchasing a property with improved space ideally suited for community center purposes is less than half of the cost of purchasing land and constructing a new building.
