ADDITIONAL INFORMATION

This is a Construction Management at Risk project under M.G.L. c. 149A. Interested firms MUST submit a Qualification Statement by the deadline and be prequalified if they are interested in later bidding on this project. DCAMM Certification applies for this process. This Request for Qualifications is the first part of a two-step process for Trade Contractors. First, interested firms must submit the Qualification Statement. Then, at a later date, only prequalified firms will be invited to submit bids for the category of works in which they were prequalified. This Qualification Statement is different from DCAMM Certification. All firms must be qualified for this project, even if they are already DCAMM Certified. The Construction Manager is W.T. Rich.

DESCRIPTION OF PROPERTY:

Roxbury Preparatory Charter School ("Roxbury Prep") intends to lease a facility ("Proctor School Facility") to be constructed on property located at 69-71 Proctor Street, Boston, Massachusetts ("Proctor School Facility Site"). The purchase and development of the Proctor School Facility Site will be paid for by Roxbury Prep Foundation, Inc. ("Foundation"), a New Jersey nonprofit corporation which is an affiliate and supporting organization to Uncommon Schools, Inc., a New Jersey nonprofit corporation that manages and operates Roxbury Prep. The Proctor School Facility Site is approximately 0.81 acres.

ESTIMATED VALUE, SOURCE OF VALUATION:

The rent will be set forth in a lease agreement.

ADDITIONAL INFORMATION

Roxbury Prep is not required to solicit proposals pursuant to M.G.L. c. 30B to acquire the Proctor School Facility through a lease agreement because it has determined through a Resolution of its Board of Trustees that advertising will not benefit Roxbury Prep due to the unique qualities and location of the Proctor School Facility Site. See M.G.L. c. 30B, § 16(e)(2). Specifically, Roxbury Prep has determined that the Proctor School Facility and the Proctor School Facility Site are uniquely suited to Roxbury Prep because (1) the Proctor School Facility Site is situated in close proximity to Roxbury Prep's existing facilities; (2) the plans for the Proctor School Facility provide space for an adequate number of students to meet Roxbury Prep's intended future enrollment patterns; and (3) no similarly adequately sized or located facilities were found to be available after a several years' search. There are no parties with a beneficial interest in the lease.
