PROJECT:

Request for Quotation for Roadway Repairs. Following the severe storms in January 2024, Penzance Road in Rockport MA experienced significant damage, rendering it impassable between South Street and Ruthern Way. The affected area spans approximately 1300 feet in length and 25 feet in width, with 300 feet paved and 1000 feet gravel. The storms deposited sand, stones, and popplestone onto the roadway, making the area impassable. Consequently, the Town of Rockport seeks quotations for the repair of this section of roadway.
