**DESCRIPTION OF PROPERTY:**

Affidavit of Unique Acquisition - Otis Poultry Farm, Route 8, Otis, MA. The Town is confirming its intent to acquire three parcels that make up the Otis Poultry Farm. Specifically, 1570 North Main Rd., Otis, MA (Map 2 Lot 74) containing 23.79 (Book 1176, Page 360) acres; 1526 North Main Rd., Otis, MA (Map 2 Lot 75) containing 1 acre (Book 1176, Page 360); and Lot 2 Route 8, Otis, MA containing 0.47 as shown on Plan in Plan Book J, Page 94 (Book 5452, Page 151).

**ESTIMATED VALUE, SOURCE OF VALUATION:**

**ADDITIONAL INFORMATION** These parcels are uniquely beneficial for the Town to acquire for the following reasons and in that this acquisition can support these possibilities collectively: • the preservation of a long-standing town landmark, • the protection of the existing public water supply, • a parcel with sizable acreage to support a future affordable housing endeavor, • the potential for expansion or development of vital community programs such as senior citizen programs, a food pantry, and cultural/recreational opportunities, • potential for vehicle and equipment storage of which the Town does not currently have, • and availability at a purchase price recently reduced and within current available Town reserves. This is an unplanned acquisition in response to the price reduction and identified possibilities and is not in response to a single identified town need for real estate that would follow the regular acquisition process through M.G.L. c. 30B, § 16.

City redesigning, reconstructing Tufts Street re: Complete Street Improvement Plan ("CIP Tufts St"). Due to potentially contaminated soils, incl. historical release of chlorinated volatile organic compounds, assigned MassDEP Release Tracking Number 23-23246. As part of the on site work, the City through its vendor will temporarily store excavated soils in roll-off containers, requiring approximately 4,500 square feet, pending the testing and appropriate disposal of the soil. The City seeks to minimize disruption, including any superfluous transportation of the potentially contaminated soils. The site subject to this notice is the only site abutting the CIP-Tufts St work that is of sufficient size for the scope of this project.
