

ODE TO MASSACHUSETTS

**Freedom, Freedom, Freedom
From the Freedom Trail in Boston
To the Dome on Beacon Hill
To Framingham and Worcester
And Springfield if you will
From Concord on to Lexington
No matter where you roam
There's a not so common Commonwealth
It's the place that I call home**

**You are the heart of New England
Old Ironsides and Bunker Hill
Where JFK once paved the way
To the day the world stood still
Your One By Land and Two By Sea
Helped set our country free
You can't get better MASSACHUSETTS
You'll always be sweet home to me.
No, you can't get better MASSACHUSETTS
You'll always be sweet home to me.
Freedom, Freedom, Freedom**
