SMALL BUSINESS IMPACT STATEMENT

The Massachusetts State Lottery Commission (“Commission”) hereby files this small business impact statement in accordance with G.L. c.30A, §2 relative to the proposed amendments in 961 CMR 2.00: Rules and Regulations; notice of which was filed this day with the Secretary of the Commonwealth.

The amendments terminate the ALL OR NOTHING game (961 CMR 2.66) on January 5, 2023 and implement THE WHEEL OF LUCK game (961 CMR 2.67) on January 19, 2023. These regulations are governed by M.G.L. c. 10, §24.

These amendments may increase consumer purchases and revenue for Lottery agents, some of which are small businesses. In accordance with G.L. c.30A, §2, the Commission offers the following responses:

1. Estimate of the number of small businesses subject to the proposed regulation:

There are approximately 7000 licensed Lottery agents, approximately 5750 of whom would be considered a small business. These amendments may increase consumer purchases and revenue for Lottery agents. There is minimal impact caused by these regulations as agents will conduct ongoing Lottery business.

2. State the projected reporting, recordkeeping and other administrative costs required for compliance with the proposed regulation:

There are no projected additional reporting, recordkeeping or administrative costs created by these regulations that would affect small businesses. Lottery agents will conduct ongoing Lottery business.

3. State the appropriateness of performance standards versus design standards:

These regulations do not implicate a design or performance standard that would affect small businesses. Lottery agents will conduct ongoing Lottery business with the implementation of a new game.
