Executive Office of Health and Human Services**

NOTICE OF PUBLIC HEARING

Under the authority of M.G.L. c. 118E and in accordance with M.G.L. c. 30A, the Executive Office of Health and Human Services (EOHHS) will hold a remote public hearing on June 14, 2024, at 11:00 a.m. relative to the adoption of amendments to the following regulation.

101 CMR 446:00: Public Health Emergency Payment Rates for Certain Community Health Care Providers.

The proposed regulation contains rates effective for dates of service on or after October 1, 2024. The estimated aggregate annual fiscal impact for MassHealth is \$21.1 million. There is no fiscal impact on cities and towns.

The proposed amendments will match Medicare pricing for COVID-19 vaccines and treatment. If there are further Medicare price changes, EOHHS will match them automatically. Obsolete COVID-19 vaccine codes (e.g., for monovalent vaccines) will be deleted. The amendments also provide that if rates for any codes in 101 CMR 446.00 conflict with those in 101 CMR 317.00: Rates for Medicine Services, then the fee structure in 101 CMR 317.00 will control.

In addition, the proposed amendments remove references to expired rate provisions including isolation and recovery and 2021 supplemental payments to community health centers and certain durable medical equipment and transportation codes, as well as pricing for certain pooled and individual COVID-19 testing, typically done on site for facilities. In each case, the services are no longer being used.

To register to testify at the hearing and to get instructions on how to join the hearing online, go to www.mass.gov/info-details/executive-office-of-health-and-human-services-public-hearings. To join the hearing by phone, call (646) 558-8656 and enter meeting ID 935 397 8200# when prompted.
