Executive Office of Health and Human Services**

**NOTICE OF PUBLIC HEARING**

Under the authority of M.G.L. c. 118E and in accordance with M.G.L. c. 30A, the Executive Office of Health and Human Services (EOHHS) will hold a remote public hearing on **Friday, October 18, at 1 p.m.** relative to the emergency adoption of amendments to the following regulation.

**101 CMR 351.00: Rates for Certain Adult Foster Care Services**

The regulation went into effect as an emergency on September 20, 2024. There is no fiscal impact on cities and towns.

The Executive Office of Health and Human Services (EOHHS) is proposing an emergency amendment to regulation 101 CMR 351.00: Rates for Certain Adult Foster Care services to increase the current per diem rate by 14.86%, from \$43.53 to \$50. This rate increase is proposed to enhance access to group adult foster care (GAFC) services, and in response to provider feedback and fiscal health of the provider network based on the profitability analysis of the reported FY 2022 cost data. Based on the cost report analysis, EOHHS considers the proposed per diem of \$50 adequate to improve the provider fiscal stability and ensure continued access to GAFC services.

The proposed rate presented above is in accordance with M.G.L. Chapter 118E Section 13C, which requires that rates established by EOHHS for health care services be “adequate to meet the costs incurred by efficiently and economically operated facilities providing care and services in conformity with applicable state and federal laws and regulations and quality and safety standards and which are within the financial capacity of the commonwealth.” The amendment was adopted on an emergency basis for the preservation of the public health, safety or general welfare and to ensure continued access to these services and to ensure provider fiscal stability and continued access to GAFC services.

The estimated aggregate annual fiscal impact of the proposed amendment is \$8.4 million, or 14.86% increase, relative to the base spending of \$56.7 million.
