**NOTICE OF PUBLIC HEARING**

Under the authority of M.G.L. c. 118E and in accordance with M.G.L. c. 30A, the Executive Office of Health and Human Services (EOHHS) will hold a remote public hearing on Friday, October 20, 2023, at 1 p.m. relative to the emergency adoption of amendments to the following regulation.

**101 CMR 206.00: Standard Payments to Nursing Facilities**

The proposed amendments to 101 CMR 206.00 implement Fiscal Year 2024 (FY24) budget requirements. The following adjustments are being proposed to the rates, consistent with the FY24 budget:

- 1) applying a cost adjustment factor of 21.94% to 2019 costs;
- 2) increasing the cap on capital payments from \$37.60 to \$50.00;
- 3) updating rates to reflect the migration from the Management Minute Questionnaire (MMQ) Assessment to be a Patient Driven Payment Model (PDPM), which is based on the Minimum Data Set (MDS) Assessment and are consistent with amendments to 130 CMR 456.000: Long Term Care Services; and
- 4) expanding the number of facilities eligible for the Substance Use Disorder rate add-on and creating a special add-on during the induction period.

The proposed amendments also amend certain aspects of existing rate adjustments, add-ons, and flat rates. Additionally, the proposed amendments remove the descriptions of supplemental payment programs that have ended, such as certain supplemental payments related to COVID-19, the Prospective Annualized SFY 2023 Monthly Supplemental Payment, and the Patient Transitions Program Supplemental Payments.

The regulation will go into effect as an emergency on October 1, 2023. The annual fiscal impact of these amendments for the MassHealth Fee for Service Nursing Facility program is estimated to be \$113,931,000.
