NOTICE OF PUBLIC HEARING

Pursuant to the authority of M.G.L. c. 118E and in accordance with M.G.L. c. 30A, the Executive Office of Health and Human Services (EOHHS) will hold a remote public hearing on Friday, November 3, 2023, at 9:00 a.m. relative to the adoption of:

101 CMR 307.00: Rates for Psychiatric Day Treatment Center Services

The proposed regulation amendments to 101 CMR 307.00 amend the payment rates used by governmental units to eligible providers of Psychiatric Day Treatment Center (PDT) services provided under the MassHealth program.

The proposed regulations are anticipated to become effective March 1, 2024. The regulations propose to increase the existing rates for PDT services based on developing a model budget using 2021 Massachusetts Bureau of Labor Statistics (BLS) median salary benchmarks and FY2022 Uniform Financial Report (UFR) data, and the application of a two-year prospective cost adjustment factor (CAF) of 2.71%. As a result, the proposed amended regulation increases the rates for code H2012 from \$16.57 to \$28.77 per hour, and code H2012-U1 from \$46.15 to \$80.13 per hour.

EOHHS is proposing these changes, subject to federal approval, to ensure that payment rates are consistent with efficiency, economy, and quality of care and satisfy the requirements of M.G.L. 118E, sections 13C and 13D. It is estimated that annual aggregate fiscal impact on the fee-for-service (FFS) MassHealth expenditure will increase by approximately \$1,504,550 as a result of these proposed rates.

There is no fiscal impact on cities or towns.
