Executive Office of Health and Human Services**

NOTICE OF PUBLIC HEARING

Under the authority of M.G.L. c. 118E and in accordance with M.G.L. c. 30A, the Executive Office of Health and Human Services (EOHHS) will hold a remote public hearing on Friday, December 6, 2024, at 11:00 am, relative to the adoption of amendments to the following regulation:

101 CMR 312.00: Rates for Family Planning Services

The proposed regulation contains rates effective for dates of service on or after May 1, 2025.

The proposed amendments increase the current rates by adding a prospective cost adjustment factor (CAF) of 2.27%. The CAF was developed using the optimistic forecast of the Massachusetts Consumer Price Index (CPI) developed by IHS Markit. The CAF of 2.27% was calculated using a base period of quarter one of calendar year 2025, and a two-year prospective rate period of quarter two of calendar year 2025 through quarter one of calendar year 2027. All rates currently established as individual consideration (IC) or that reference to other regulations in 101 CMR 312.00 are proposed to remain the same. EOHHS also proposes to amend 101 CMR 312.00 to reflect updated terminology and current policy.

EOHHS is proposing these changes, subject to federal approval, to ensure that payments are consistent with efficiency, economy, and quality of care and satisfy the requirements of M.G.L. 118E, sections 13C and 13D. It is estimated that annual aggregate MassHealth expenditures will increase by \$33,000 as a result of the proposed amendments. There is no fiscal impact on cities and towns. The proposed amendments are not anticipated to impose new costs on small businesses, and any impact on small business providers will vary based on the volume of services provided.
