Executive Office of Health and Human Services**

NOTICE OF PUBLIC HEARING

Under the authority of M.G.L. c. 118E and in accordance with M.G.L. c. 30A, the Executive Office of Health and Human Services (EOHHS) will hold a remote public hearing on Friday, December 13, 2024, at 3 p.m., relative to the adoption of amendments to the following regulation.

101 CMR 362.00: Rates for Community Support Program Services

The proposed regulation contains rates effective for dates of service on or after April 1, 2025.

Under M.G.L. Chapter 118E, Section 13D, EOHHS is required to establish and periodically review the rates to be paid by governmental units for noninstitutional health care services, including rates of payment for community support program (CSP) services. CSP services are diversionary behavioral health services that help individuals remain in community-based settings, rather than 24-hour level of care.

EOHHS performed a review of the payment rates set forth in 101 CMR 362.00 and proposes to align the standard CSP rate with the rate for recovery support navigator (RSN) being proposed in 101 CMR 444.00: *Rates for Certain Substance Use Disorder Services*. EOHHS also proposes to increase the rates for CSP for homeless individuals (CSP-HI), CSP for justice involved (CSP-JI), and CSP tenancy preservation program (CSP-TPP) by a prospective cost adjustment factor of 2.27%. The cost-adjustment factor (CAF) was calculated using the Massachusetts-specific Consumer Price Index (CPI) Fall 2023 forecast developed by IHS Markit Economics.

EOHHS is proposing these changes, subject to federal approval, to ensure that payments are consistent with efficiency, economy, and quality of care and satisfy the requirements of M.G.L. 118E, sections 13C and 13D. It is estimated that annual aggregate MassHealth expenditures will increase by \$37,000 as a result of the proposed amendments. There is no fiscal impact on cities and towns. The proposed amendments are not anticipated to impose new costs on small businesses, and any impact on small business providers will vary based on the volume of services provided.
