Executive Office of Health and Human Services**

**NOTICE OF PUBLIC HEARING**

Under the authority of M.G.L. c. 118E and in accordance with M.G.L. c. 30A, the Executive Office of Health and Human Services (EOHHS) will hold a remote public hearing on Friday, February 20, 2026, at 9:00 a.m. relative to the adoption of amendments to the following regulation.

**101 CMR 414.00: Rates for Family Stabilization Services**

The proposed regulation contains rates effective for dates of service on or after January 1, 2026. There is no fiscal impact on cities and towns.

101 CMR 414.00 governs the payment rates for family stabilization services provided to publicly aided individuals by governmental units. These services are purchased by the Department of Developmental Services (DDS), the Massachusetts Commission for the Blind (MCB), the Department of Children and Families (DCF), and the Department of Mental Health (DMH).

Pursuant to M.G.L. Chapter 118E, Section 13D, EOHHS is required to establish, by regulation, and biennially review rates to be paid by governmental units to providers of social service programs. In accordance with this requirement, the rates for family stabilization services are being updated to include an increase by a cost adjustment factor (CAF) of 2.53%. The CAF was determined by using baseline and prospective Massachusetts Economic Indicator data from IHS Economics – Spring 2025 Forecast, baseline scenario data. The CAF reflects the period between the rates' base period (Calendar Year 2025 Q4) and the prospective period (Calendar Year 2026 through Calendar Year 2027). The staff salaries have been benchmarked to the Massachusetts Bureau of Labor Statistics (BLS) wages as dated May 2024 at the 53<sup>rd</sup> percentile. The tax and fringe rate has been benchmarked to 24.97%. This benchmark is derived from the MA Comptroller's FY25 approved rate less terminal leave and retirement. The administrative allocation has been benchmarked to 12% to remain consistent across all Chapter 257 regulations.

The total annualized cost to state government from the increase in rates amended by this regulation is \$37.98 million, which represents an increase of 14.42% over FY25 spending of approximately \$211.84 million. This cost will not be realized until January 1, 2026, at which point the FY26 cost to state government will be \$18.98 million. This will be covered through a combination of the Chapter 257 Reserve Account and the purchasing agencies' FY26 budgets.
