Small Business Impact Statement						
(As required by M.G.L. c. 30A §§ 2, 3 & 5)						
CMR No: 801 CMR 4.02 (247) Rates (Board of Registration in Pharmacy)						
Estimate of the Number of Small Businesses Impacted by the Regulation: A search of the SBA website for businesses with the 446110 NAICS code showed two (2) pharmacies registered as small businesses in Massachusetts. According to the records of the Board of Registration in Pharmacy ("Board"), there are currently 1137 retail pharmacies in Massachusetts, of which 219 are independent (non-chain) and most likely to qualify as small businesses. Additionally, it is anticipated some of the non-resident pharmacies may be small businesses.						
Select Yes or No and Briefly Explain						
Yes	No 🖂	Will small businesses have to create, file, or issue additional reports? The proposed amendment establishes fees to apply and renew new pharmacy license types required pursuant to pharmacy reform legislation (St.2014, c.159), codified at M.G.L. c. 112, §§ 39 – 39J. The proposed amendment does not require small businesses to create, file or issue additional reports.				
Yes	No 🖂	Will small businesses have to implement additional recordkeeping procedures? The proposed amendment establishes fees to apply and renew new pharmacy license types required pursuant to pharmacy reform legislation (St.2014, c.159), codified at M.G.L. c. 112, §§ 39 – 39J. The proposed amendment does not require small businesses to implement additional recordkeeping procedures.				
Yes	No 🖂	Will small businesses have to provide additional administrative oversight? The proposed amendment establishes fees to apply and renew new pharmacy license types required pursuant to pharmacy reform legislation (St.2014, c.159), codified at M.G.L. c. 112, §§ 39 – 39J. The proposed amendment does not require small businesses to provide additional administrative oversight.				
Yes	No 🖂	Will small businesses have to hire additional employees in order to comply with the proposed regulation? The proposed amendment establishes fees to apply and renew new pharmacy license types required pursuant to pharmacy reform legislation (St.2014, c.159), codified at M.G.L. c. 112, §§ 39 – 39J. The proposed amendment does not require small businesses to hire additional employees.				
Yes	No 🖂	Does compliance with the regulation require small businesses to hire other professionals (e.g. a lawyer, accountant, engineer, etc.)? The proposed amendment establishes fees to apply and renew new pharmacy license types required pursuant to pharmacy reform legislation (St.2014, c.159), codified at M.G.L. c. 112, §§ 39 – 39J. The proposed amendment does not require small businesses to hire other professionals.				
Yes	No 🖂	Does the regulation require small businesses to purchase a product or make any other capital investments in order to comply with the regulation? The proposed amendment establishes fees to apply and renew new pharmacy license types required pursuant to pharmacy reform legislation (St.2014, c.159), codified at M.G.L. c. 112, §§ 39 – 39J. The proposed amendment does not require small businesses to purchase a product or make any other capital investments.				
Yes	No 🖂	Are performance standards more appropriate than design/operational standards to accomplish the regulatory objective? (Performance standards express requirements in terms of outcomes, giving the regulated party flexibility to achieve regulatory objectives and design/operational standards specify exactly what actions regulated parties must take.)				

		The proposed amendment establishes fees to apply and renew new pharmacy license types required pursuant to pharmacy reform legislation (St.2014, c.159), codified at M.G.L. c. 112, §§ 39 – 39J.
Yes	No 🖂	Do any other regulations duplicate or conflict with the proposed regulation? There is no other state agency that licenses the operation of a pharmacy or pharmacy compounding in the Commonwealth. The Department of Public Health (DPH), Bureau of Health Care Safety and Quality, oversees licensure of hospitals and clinics, which includes pharmacy operations within those licensed facilities. See 105 CMR 130.00 and 105 CMR 140.00. The Board's jurisdiction, purusant to M.G.L. c. 112, § 39I, over institutional pharmacies is limited to sterile compounding and does not overlap or duplicate DPH regulations. The federal Food, Drug and Cosmetic Act, 21 USC 353a, also regulates the practice of pharmacy compounding. The proposed changes do not conflict with federal law.
Yes	No 🖾	Does the regulation require small businesses to cooperate with audits, inspections or other regulatory enforcement activities? The proposed amendment establishes fees to apply and renew new pharmacy license types required pursuant to pharmacy reform legislation (St.2014, c.159), codified at M.G.L. c. 112, §§ 39 – 39J. The proposed amendment does not require small businesses to cooperate with audits, inspections or other regulatory enforcement activities.
Yes	No 🗵	Does the regulation require small businesses to provide educational services to keep up to date with regulatory requirements? The proposed amendment establishes fees to apply and renew new pharmacy license types required pursuant to pharmacy reform legislation (St.2014, c.159), codified at M.G.L. c. 112, §§ 39 – 39J. The proposed amendment does not require small businesses to provide educational services.
Yes	No 🗵	Is the regulation likely to <i>deter</i> the formation of small businesses in Massachusetts? Small businesses that operate pharmacies are already accustomed to having to apply for licensure and comply with state regulations and procedures. The new requirement that non-resident pharmacies also apply for licensure and conform to Massachusetts regulations will improve business conditions for instate pharmacies by placing non-resident pharmacies on equal footing.
Yes 🖂	No 🗆	Is the regulation likely to <i>encourage</i> the formation of small businesses in Massachusetts? Small businesses that operate pharmacies are already accustomed to having to apply for licensure and comply with state regulations and procedures. The new requirement that non-resident pharmacies also apply for licensure and conform to Massachusetts regulations will improve business conditions for instate pharmacies by placing non-resident pharmacies on equal footing.
Yes	No 🖂	Does the regulation provide for less stringent compliance or reporting requirements for small businesses? The proposed amendment establishes fees to apply and renew new pharmacy license types required pursuant to pharmacy reform legislation (St.2014, c.159), codified at M.G.L. c. 112, §§ 39 – 39J. The proposed amendment does not set reporting requirements.
Yes	No 🖂	Does the regulation establish less stringent schedules or deadlines for compliance or reporting requirements for small businesses? The proposed amendment establishes fees to apply and renew new pharmacy license types required

		pursuant to pharmacy reform legislation (St.2014, c.159), codified at M.G.L. c. 112, §§ 39 – 39J. The proposed amendment does not set compliance schedules requirements.
Yes	No 🖂	Did the agency consolidate or simplify compliance or reporting requirements for small businesses? The proposed amendment establishes fees to apply and renew new pharmacy license types required pursuant to pharmacy reform legislation (St.2014, c.159), codified at M.G.L. c. 112, §§ 39 – 39J.
