

**Commonwealth of Massachusetts  
Executive Office of Health and Human Services**

**NOTICE OF PUBLIC HEARING POSTPONEMENT**

Under the authority of M.G.L. c. 118E and in accordance with M.G.L. c. 30A, the Executive Office of Health and Human Services (EOHHS) will hold a remote public hearing on Tuesday, February 13, 2024, at 10:00 a.m. relative to the adoption of amendments to the following regulation. This is a postponement of a public hearing originally scheduled for January 30, 2024.

**101 CMR 414.00: Rates for Family Stabilization Services.** Pursuant to M.G.L. Chapter 118E, Section 13D (f/k/a Chapter 257 of the Acts of 2008), EOHHS is required to establish by regulation and biennially review the rates to be paid by governmental units for social service programs. The amendments to 101 CMR 414.00 are proposed in accordance with this statute. The proposed amendments update rates for certain family stabilization services by a cost adjustment factor (CAF) of 2.71%. The CAF was determined by using baseline and prospective Massachusetts Economic Indicator data from IHS Economics – Spring 2023 Forecast, optimistic scenario data. The CAF reflects the period between the rates' base period (calendar year 2023 Q4) and the prospective period of calendar years 2024 and 2025. All staff salaries have been benchmarked to the Massachusetts Bureau of Labor Statistics (BLS) median wages as dated May 2022 at the 53<sup>rd</sup> percentile. The tax and fringe rate has been benchmarked to 27.38% and the administrative allocation has been benchmarked to 12%. Additionally, the rate for Community-based After-school Social and Recreational Programs is being removed from this regulation because it is no longer purchased. We have also updated the severability language to be consistent across EOHHS rate regulations.

The total estimated FY24 annualized cost to state government from the increase in rates established by this proposed amendment is \$46.4M, which represents an increase of 12.7% over FY23 spending of approximately \$182.8 million. These costs will not be realized until January 1, 2024, at which point the FY24 fiscal impact to state government will be approximately \$23.2M for the increase to existing rates. The increase in spending in FY24 will be covered through a combination of the Chapter 257 Reserve Account and the purchasing agencies' FY24 budgets.

The proposed amendments to the regulation contain rates effective for dates of service on or after January 1, 2024. There is no fiscal impact on cities and towns.
