NOTICE OF PUBLIC HEARING

Under the authority of M.G.L. c. 118E and in accordance with M.G.L. c. 30A, the Executive Office of Health and Human Services (EOHHS) will hold a remote public hearing on Friday, May 3, 2024, at the respective times listed below, relative to the adoption of amendments to the following regulations.

Pursuant to M.G.L. Chapter 118E, Section 13D (f/k/a Chapter 257 of the Acts of 2008), EOHHS is required to establish by regulation and biennially review rates to be paid by governmental units to providers of social service programs. In accordance with this requirement, the rates in the proposed amendments to the regulations listed below are being updated to include an increase by a cost adjustment factor (CAF) of 2.58%. The CAF was determined by using baseline and prospective Massachusetts Economic Indicator data from IHS Economics – Fall 2023 Forecast, optimistic scenario data. The CAF reflects the period between the rates' base period (calendar year 2024 Q2) and the prospective period of fiscal years 2025 and 2026. The staff salaries have been benchmarked to the Massachusetts Bureau of Labor Statistics (BLS) median wages as dated May 2022 at the 53rd percentile. The tax and fringe rate has been benchmarked to 27.38%. This benchmark is derived from the MA Comptrollers FY24 approved rate less terminal leave and retirement. The administrative allocation has been benchmarked to 12%. The language in the severability section has also been updated for consistency across EOHHS rate regulations.

The proposed regulations contain rates effective for dates of service on or after July 1, 2024. There is no fiscal impact on cities and towns.
