SMALL BUSINESS IMPACT STATEMENT

The Massachusetts State Lottery Commission (“Commission”) hereby files this small business impact statement in accordance with G.L. c.30A, §2 relative to the proposed amendments in 961 CMR 2.00: Rules and Regulations; notice of which was filed this day with the Secretary of the Commonwealth.

The amendments will permit the Lottery to offer products for sale online via its iLottery platform. These regulations are governed by M.G.L. c. 10, §24.

These amendments should not adversely impact small businesses as these products will be sold online. In accordance with G.L. c.30A, §2, the Commission offers the following responses:

1. Estimate of the number of small businesses subject to the proposed regulation:

There are approximately 6926 licensed Lottery agents, approximately 5604 of whom would be considered a small business. The Lottery will engage in promotional activities to encourage the purchase of lottery tickets at Lottery agent locations. Aside from that, there is minimal impact caused by these regulations as Lottery agents will continue to conduct ongoing Lottery business.

2. State the projected reporting, recordkeeping and other administrative costs required for compliance with the proposed regulation:

There are no projected additional reporting, recordkeeping or administrative costs created by these regulations that would affect small businesses. Lottery agents will conduct ongoing Lottery business.

3. State the appropriateness of performance standards versus design standards:

These regulations do not implicate a design or performance standard that would affect small businesses. Lottery agents will conduct ongoing Lottery business.

4. Identify regulations of the promulgating agency, or of another agency or department of the commonwealth, which may duplicate or conflict with the proposed regulation:

Massachusetts State Lottery Commission

DEBORAH B. GOLDBERG
Treasurer and Receiver General

MICHAEL R. SWEENEY
Executive Director

The Commission is not aware of duplicate or conflicting regulations.

5. State whether the proposed regulation is likely to deter or encourage the formation of new businesses in the commonwealth:

These regulations are not likely to deter or encourage the formation of new businesses in the Commonwealth.
