

Commonwealth of Massachusetts
Executive Office of Health and Human Services
NOTICE OF PUBLIC HEARING

Under the authority of M.G.L. c. 118E and in accordance with M.G.L. c. 30A, the Executive Office of Health and Human Services (EOHHS) will hold a remote public hearing on Friday, July 31, 2026, at 10 a.m., relative to the adoption of amendments to the following regulation.

101 CMR 514.00: *Hospital Assessment*

The amendments to 101 CMR 514.00: Hospital Assessment are proposed to implement the changes to the hospital assessment enacted and required through M.G.L. c. 118E, section 67, as amended by Chapter 73 of the Acts of 2025, and required under the new waiver of broadbasedness and uniformity approved by CMS pursuant to 42 CFR 433.68.

These changes 1) increase the total assessment amount by \$50M; 2) update the assessment base from 2019 to 2023; and 3) update both the inpatient and outpatient assessment rates for 7 out of 9 hospital assessment groups.

The regulation went into effect as an emergency on July 7, 2026. There is no fiscal impact on cities and towns.

To [register to testify at the hearing and to get instructions on how to join the hearing online](#), go to www.mass.gov/info-details/executive-office-of-health-and-human-services-public-hearings. To join the hearing by phone, call (646) 558-8656 and enter meeting ID 935 397 8200# when prompted.

You may also [submit written testimony](#) instead of, or in addition to, live testimony. To submit written testimony, please email your testimony to ehs-regulations@mass.gov as an attached Word or PDF document or as text within the body of the email with the name of the regulation in the subject line. All written testimony must include the sender's full name, mailing address, and organization or affiliation, if any. Individuals who are unable to submit testimony by email should mail written testimony to EOHHS, c/o D. Briggs, 100 Hancock Street, 6th Floor, Quincy, MA 02171. Written testimony will be accepted through 5 p.m. on July 31, 2026. EOHHS specifically invites comments as to how the amendments may affect beneficiary access to care for MassHealth-covered services.

To [review the current draft of the proposed regulation](#), go to www.mass.gov/info-details/executive-office-of-health-and-human-services-public-hearings or request a copy

in writing from MassHealth Publications, 100 Hancock Street, 6th Floor, Quincy, MA 02171.

[Special accommodation requests](#) may be directed to the Disability Accommodations Ombudsman by email at ADAAccommodations@mass.gov or by phone at (617) 847-3468 (TTY: (617) 847-3788 for people who are deaf, hard of hearing, or speech disabled). Please allow two weeks to schedule sign language interpreters.

EOHHS may adopt a revised version of the proposed regulation taking into account relevant comments and any other practical alternatives that come to its attention.

In case of inclement weather or other emergency, [hearing cancellation announcements](#) will be posted on the MassHealth website at www.mass.gov/info-details/executive-office-of-health-and-human-services-public-hearings.

Small Business Impact Statement

(As required by M.G.L. c. 30A §§ 2, 3 & 5)

CMR No and Title: 101 CMR 514.00: *Hospital Assessment*

Estimate of the Number of Small Businesses Impacted by the Regulation: The regulation applies to all non-state owned hospitals in the state, including acute and non-acute hospitals. In total, there are currently 85 hospitals subject to the assessment.

- Will small businesses have to create, file, or issue additional reports?
No. There are no additional reports for small business or other regulated parties required through this proposed amendment.
- Will small businesses have to implement additional recordkeeping procedures?
No. There are no additional recordkeeping procedures for small business or other regulated parties required through this proposed amendment.
- Will small businesses have to provide additional administrative oversight?
No. There are no additional administrative oversight requirements for small business or other regulated parties through this proposed amendment.
- Will small businesses have to hire additional employees in order to comply with the proposed regulation?
No. Neither small business nor other regulated parties will need to hire additional employees to comply with this proposed amendment.
- Does compliance with the regulation require small businesses to hire other professionals (e.g. a lawyer, accountant, engineer, etc.)?
No. Neither small business nor other regulated parties will need to hire other professionals to comply with this proposed amendment.
- Does the regulation require small businesses to purchase a product or make any other capital investments in order to comply with the regulation?
No. Neither small business nor other regulated parties will need to purchase products or make capital investments to comply with this proposed amendment.
- Are performance standards more appropriate than design/operational standards to accomplish the regulatory objective?
(Performance standards express requirements in terms of outcomes, giving the regulated party flexibility to achieve regulatory objectives and design/operational standards specify exactly what actions regulated parties must take.)
No. Performance standards are not more appropriate than design or operational standards to accomplish the regulatory objective of the proposed amendments.
- Do any other regulations duplicate or conflict with the proposed regulation?
No. There are no other regulations that duplicate or conflict with the proposed amendments.
- Does the regulation require small businesses to cooperate with audits, inspections or other regulatory enforcement activities?
No. The proposed amendments do not require cooperation with any new audits, inspections, or other regulatory enforcement activities.
- Does the regulation require small businesses to provide educational services to keep up to date with regulatory requirements?
No. The proposed regulation does not require small businesses or other regulated parties to provide educational services to keep up to date with regulatory requirements.
- Is the regulation likely to *deter* the formation of small businesses in Massachusetts?

No. The proposed regulation is not likely to deter or encourage the formation of small businesses in Massachusetts.

- Is the regulation likely to *encourage* the formation of small businesses in Massachusetts?
No. The proposed regulation is not likely to deter or encourage the formation of small businesses in Massachusetts.
- Does the regulation provide for less stringent compliance or reporting requirements for small businesses?
No. The proposed regulation does not distinguish between small businesses and other businesses.
- Does the regulation establish less stringent schedules or deadlines for compliance or reporting requirements for small businesses?
No. The proposed regulation does not distinguish between small businesses and other businesses.
- Did the agency consolidate or simplify compliance or reporting requirements for small businesses?
No. The proposed regulation does not distinguish between small businesses and other businesses.
- Can performance standards for small businesses replace design or operational standards without hindering delivery of the regulatory objective?
No. Distinguishing between small and other businesses would not be practicable to implement the proposed regulation.
- Are there alternative regulatory methods that would minimize the adverse impact on small businesses?
No. The proposed regulation does not have an adverse impact on small businesses. Regulatory amendments are required to implement the change to the hospital assessment structure required under state law.
