NOTICE OF PUBLIC HEARING

Under the authority of M.G.L. c. 6A, section 16 and in accordance with M.G.L. c. 30A, the Division of Medical Assistance (the Division) will hold a remote public hearing on Friday, August 25, 2023, at 10 a.m. relative to the adoption of amendments to the following regulation.

130 CMR 463.000: Doula Services

The proposed regulation is planned to go into effect no sooner than October 2023. There is no fiscal impact on cities and towns.

130 CMR 463.000 is a new proposed regulation that will govern MassHealth providers of doula services and the provision of such services to MassHealth members.

Currently, MassHealth regulations do not permit doulas to enroll as MassHealth providers. The proposed regulation 130 CMR 463.000 is a standalone provider regulation for doula services that establishes a new provider type and will set forth the requirements, conditions, and limitations for MassHealth covered doula services.

The proposed regulation includes provisions regarding the following areas:

- provider eligibility requirements to enroll as a MassHealth provider of such services;
- conditions of payment for such services;
- member eligibility requirements for the receipt of such services;
- requirements and limitations for the delivery of such services;
- administrative requirements related to the delivery of such services; and
- other requirements related to the provision of such services, including recordkeeping.

EOHHS has separately proposed a new rate regulation, 101 CMR 319.00, which will establish the rates for doula services that are anticipated to be covered in accordance with 130 CMR 463.000.

To register to testify at the hearing and to get instructions on how to join the hearing online, go to www.mass.gov/service-details/masshealth-public-hearings. To join the hearing by phone, call (646) 558-8656 and enter meeting ID 935 397 8200# when prompted.

CMR No: 130 CMR 463.000: Doula Services

Estimate of the Number of Small Businesses Impacted by the Regulation: EOHHS notes that, currently, there are no providers enrolled in MassHealth as providers of doula services, as 130 CMR 463.000: *Doula Services* is a proposed regulation that, if promulgated, will establish the MassHealth doula services program.
