SMALL BUSINESS IMPACT STATEMENT

The Massachusetts State Lottery Commission ("Commission") hereby files this small business impact statement in accordance with G.L. c.30A, §2 relative to the proposed amendments in 961 CMR 2.00: Rules and Regulations; notice of which was filed this day with the Secretary of the Commonwealth.

The amendments include the rules for, and authorization for the Lottery to sell through the iLottery Platform, eInstant games and two new Lottery draw games, Mass 3 and Mass 4. The amendments also authorize the Lottery to sell Megabucks and Mass Cash products via the iLottery Platform, update the introduction section to address iLottery-related revenues and prize payouts, address improper use of iLottery Player Accounts, provide procedures for claiming prizes for tickets and games purchased via the iLottery Platform, and allow the terms "scratch ticket" and "scratch game" to be used interchangeably with "instant ticket" and "instant game." These regulations are governed by M.G.L. c. 10, §24.

These amendments should not adversely impact small businesses as these products will be sold online. In accordance with G.L. c.30A, §2, the Commission offers the following responses:

1. Estimate of the number of small businesses subject to the proposed regulation:

There are approximately 6926 licensed Lottery agents, approximately 5604 of whom would be considered a small business. The Lottery will engage in promotional activities to encourage the purchase of lottery tickets at Lottery agent locations. Aside from that, there is minimal impact caused by these regulations as Lottery agents will continue to conduct ongoing Lottery business.

2. State the projected reporting, recordkeeping and other administrative costs required for compliance with the proposed regulation:

There are no projected additional reporting, recordkeeping or administrative costs created by these regulations that would affect small businesses. Lottery agents will conduct ongoing Lottery business.
